INT. WHITE ROOM.

Lee walks up to an outline of his body.

LEE

The people of Townsburg live their  
rockwellian lives everyday.  
Everything seems perfect in this  
quaint town. Everything, until the  
bonds of communication are broken.

STACI walks in.

STACI

JUSTIN

The internets down.

STACI

Good, then you can help me plan the  
wedding.

JUSTIN

But, what if it doesn't come back?

STACI

Just go reset the router.

INT. LIVING ROOM.

Justin goes to look at the router but it's missing.

Scott. Question. Your internet.  
Does it work?

SCOTT

JUSTIN

ends really soon and the internet  
here is borked.

Through the window Justin sees a router. When he looks  
again, it is gone.

SCOTT

Yeah, I had some gifts to order  
and--

JUSTIN

Shut up. I'm going to go find some  
internet.

SCOTT

Just wait a while, it'll come back.

JUSTIN

That's what everybody says. But,  
what if it doesn't. What if it's  
gone forever.

SCOTT

Well, I guess you'd lose your  
auction.

JUSTIN

Like hell. I'm totally going to win  
that <Insert something justin wants

The router just keeps flashing a green light.
